

# OFFERED SERVICES

---

[www.tuateam.com](http://www.tuateam.com)

### ASK CORPS

Creation and management of non-profit foundations in order to considerably improve social engagement of entities worldwide.

### INTERNATIONAL BRAND DEVELOPMENT

With more than 15 nationalities in our headquarters, we're able to speak in many different native languages raising high-levels of trust and confidence in the new international markets.

### OFFLINE/ONLINE MARKETING

Dealing with a budget of more than 500K€ in printed catalogs and more than 250K€ in Google Ads campaigns in different languages, we're able to bring ideas to reality.

### COMMUNICATION IMPROVEMENT & AUTOMATION

We have experience in managing internal communication within companies to make it more effective and profitable.

## BUSINESS MANAGEMENT CONSULTING

Our counselors deal with an interesting client portfolio as business developers & managers of projects in different countries to access funding & other benefits.

## PUBLIC RELATIONS

We have developed networks in many big cities in Europe - such as Paris, Brussels, London, Berlin, Milan, Madrid, Barcelona, etc. - to let you directly connect with potential clients or partners.

## SPECIFIC PROBLEM SOLVING

In case of having a specific need, we look for the best professional and we're able to give you a grace period to realize a first free study of the viability of a solution in any area.

## SERVICES FOR SME'S & FREELANCERS

A straight relationship with SME's & freelancers as a services provider for specific solutions. A vast offer of possibilities due to our large experience on international projects.
